

WRITE YOUR STORY...

in three easy steps

Your family stories are your heritage. From the big life events like weddings and births, to the everyday fun on the soccer field and summer vacations...we all have stories that need to be written and preserved.

1. CHOOSE YOUR STORY: Decide what story you want to tell. Do you want to record your grandfather's life? Or maybe a story about your favorite sibling? Be sure to visit the Story Center to find Story Maps to help guide your story, plus incredible writing tips and tricks. And while you're at it, read the blog for more fun ideas!

2. GATHER YOUR PHOTOS: Does the thought of scanning hundreds of photos seem a bit daunting? No worries! Contact your Heritage Makers consultant to find out how you can get all of your boxes of photos scanned...in a fraction of the time and cost.

3. CREATE YOUR PROJECT: Create all of your Heritage Makers projects in your own password-protected, publishing and creative center, Heritage Studio. No other online system offers you as much freedom, creativity, and convenience. Need a little inspiration? Attend one of our free online classes or check out our amazing FREE template gallery.

Become a heritage maker and join others in preserving stories and memories while building strong families. It's simple, fun, and a great way to bind your family together.

START WRITING YOUR FAMILY STORIES TODAY!

JOIN THE COMMUNITY

Attend free online classes, visit our blog, participate in contests, share templates, and enjoy our incredible newsletters! There are many ways that you can become the heritage maker in your family...plus have a great time while doing it!

SHARE THE MESSAGE

Just one individual and one storybook can make a huge difference in the lives of others. Heritage Makers personal publishing consulting business helps people live their dreams, become free of the 9 to 5 grind, and become their own boss! And it all starts with sharing the message...your story.

BUILD YOUR FAMILY LIBRARY

Create your family's heritage with a library of storybooks, cards, posters, and fun games. You'll be able to create an amazing treasure of stories and values that you can pass onto your children and grandchildren.
